Heat 12 - A 5/1 for Nottingham would have won the match for the home side. It was a tall order against Goulden and Strecker but there was the prospect of a mouth watering battle.

Strecker and Goulden shot out of the gate on real flyers. Greenwood was very unhappy and toured round for one lap, parking with Milward at the start. Greenwood said the Southampton riders had both touched the tapes but the steward allowed the race to go on.

The Nottingham fans soundly booed the starter at the end of the meeting.

Heat 1 was rerun after a confused first attempt. Goulden originally broke the tapes and was flagged off but the other riders were confused and the steward decided the outcome was unfair. It seems to have been called an unsatisfactory start and all 4 took the restart.

In heat 2 lamont reared up and brought off Jones at the start. The race was rerun.

In the first run of heat 3 there was a pile up involving Lovell, Sharp and Spencer. The second time Bob Lovell hit the fence and was thrown in front of Bert Spencer who had no chance to avoid him. Lovell went to hospital. It was third time lucky and there were no further accidents. Anderson replaced Lovell. Both Southampton riders had engine problems in heat 5 and failed to finish.

Attendance 9,000.

It was disappointing for the Banister Court fans that Plymouth riders Dick Wise and Billy Lamont did not turn up. Although past his glory days Lamont was still a great attraction and had lost none of his incredible broadsiding skills. The Southampton management let Plymouth borrow Jack Riddle and Cyril Anderson Things went from bad to worse for Plymouth though when Jack Hobson was injured as early as heat 2. Eric Chitty smashed the TR in heat 1. Heat 10 was rerun due to a fall by Bowden. Riddle came in for Bibby in the rerun as Bibby had bike problems.
