## Notes:

**(1) Matches were raced over twelve heats, with a 3-2-1 scoring system**

**(2) Cardiff closed down in June due to poor crowds, with their record expunged from the table**

**(3) Although Plymouth v Nottingham was not raced, the match points were awarded to the away side**

**(4) Aside from the main West Ham side, which operated in the National League, a second team (known as West Ham Hawks) competed in the Provincial Trophy, with their 'home' matches being staged at Southampton.**
