Jack Milne's hand, the one with no thumb, slipped off the handlebars in heat 5. He was having a fantastic battle with Newton and Kitchen at the time and fell as he went between them. He came straight across Newton in the fall. George's avoidance was incredible and whilst he remounted to get third most people thought the race should have been stopped and rerun in fairness to Newton.

In the first run of heat 11 Bill Kitchen came down and Jack Parker had nowhere to go except straight over him. Jack was thrown and landed on his neck. Incredibly Parker was OK but Kitchen was out of the meeting with ankle injuries.

Cordy Milne was ruled out of heat 10 for a "boring" offence on Jack Ormston.

Heat 10 was a cracker. Chitty was last away and Kilmister gave him a very difficult task to get third place.

Chitty got past after a struggle and went in hot pursuit of Harrison and Kitchen who were engaged in a hard scrap for the lead.

On the last lap first turn there was a small gap between the Belle Vue men. Chitty went through the middle and hit the back straight half a length ahead. He held it to a fantastic finish between all 3.
