Note :- The meeting was controversially abandoned at Heat 11 after the stadium track lights on the 3rd and 4th bend failed.

They had gone off as heat 10 was completed and were restored after a 35-minute delay.

When they again failed just after heat 11 had been run, the ACU referee decided it was no longer safe to continue and abandoned the meeting.

The result did not stand and the National League match had to be Re Run later in the season

Coventry were leading by 6 points with just two races left, having two riders still unbeaten and Norwich likely to have only one rider in heat 13
