Note: Heat 5 Mitch Shirra was originally nominated for the R/R ride but was excluded for a tapes offence and so replaced by the reserve Frank Smith.

Note:- The Coventry riders who were mostly mounted on Jawa bikes, were badly affected by the new Roe silencer that had been made compulsory by the BSPA. Things got so bad that all the last four heats were finished by only riding Alan Molyneux's and Alf Busk's Weslake bikes that were as effected by the new silencers.

Note: Heat 13 when the race was first attempted to be started Barry Thomas lunged into to tapes so far that even his rear spindle crossed the white line although the tapes did not break. Ole Olsen and Tommy Nilsson expecting Thomas to be excluded, pulled back and rode into the pits. But the referee Peter Ryall deemed that the green light had been on and so carried on and started the race with just two Hackney riders in it, whilst Olsen and Nilsson left stunned in the pits.

Bees team manager Mick Blackburn protested after the race without any joy, but after the meeting succeeded in a separate protest where Hawks guest Doug Wyer had been ineligible to take R/R rides. The SCB supported the protest and expunged Wyer's finishing positions from both Heats 11 and 13 which saw the final score amended to 39-35 to Coventry.

Note Heat 1 and Heat 2. The referee refused to allow Coventry to use Bruce Cribb in heat 1 supporting White City's protest that Coventry were not entitled to a guest with Nilsson only dring to Poland and not racing. In heat 2 the referee started the race with out any Coventry riders as Mick Blackburn was protesting still about heat 1. Calls to the BSPA saw to Bruce Cribb being found acceptable as a guest, but the referee refused to rerun heats 1 and 2.
