Note: Heat 1 saw Scott Autrey knocked Ole Olsen off coming off the final turn. The referee excluded Autrey for foul riding, but instead of awarding the race to Olsen, he awarded it Prinsloo, Molyneux and non finisher Olsen third. Coventry protested that this should have been a Bees 4-2 and wrote to the SCB, who although agreeing the referee had incorrectly awarded the heat as a 3-3, they were not prepared to change the result as the error should have been cleared up at the time and so the final score was allowed to stand.

Note:- Heat 13 actually finished as a 5-1 to Coventry and the result was announced with a final score line of 47-30. Leicester's guest made a protest that Mitch Shirra's silencer had come adrift at the manifold and when the referee was called to inspect and confirm the protest, Shirra's was excluded and the other riders promoted up one place and so amended the heat result from a 5-1 to a 3-3 and the final score to 45-32. As this happened some time after the match had finished, many fans went home without knowing this ruling and score amendment.

## Coventry Bees Results 1978 Season

Meeting Number	
Meeting Date	Friday September 22nd 1978
Competition	"TSB" Midland Cup Semi Final - 2nd Leg

Home Team	Wolverhampton
Away Team	Coventry
Result	42-36
Aggregate Score	Coventry 78 - Wolverhampton 78

Note: Coventry used Pip Lamb (Oxford) as a guest for Gary Guglielmi/Stuart Cope (Both riding for Boston in NL)

Note: Ole Olsen pulled out of the meeting late after suffering from flu and with no facility allowed Coventry moved Mick Bell up to the No. 1 race jacket and borrowed a local junior Paul Hasteley just to make up the team.

With the semi-final tie ending up as a 78-78 draw on aggregate, the entire Semi final would have to be re-played to get to a conclusion.

## Coventry Bees Results 1978 Season

Meeting Number	
Meeting Date	Thursday October 12th 1978
Competition	"Gauloises" British League Pairs Championship Final
	Staged at Ipswich

Note: Meeting was abandoned after heat 14 due to thick fog that stopped the referee from seeing the entire circuit from his box. The winner's were therefore awarded as a tied first place for Coventry and Cradley Heath on 18 points even though Coventry had scored four bonus points to Cradley's three. Frustratingly Coventry and Cradley had been due to meet in the very next race before the swirling fog curtailed and more racing
