## Coventry Bees Results 1992 Season

Meeting Number	17
Meeting Date	Saturday 22nd August 1992
Competition	Homefire League Division 1

Home Team	Coventry
Away Team	Eastbourne
Result	48-41 (Amended Result)

Note: Coventry used rider replacement from Rick Miller (Injured ruptured knee ligaments).  
 Andrew Silver missed his first ride after being held up in traffic en route to the meeting.  
 Note Heat 12- Jamie Habbins replacing Andy Smith was an illegal move so the point he scored was removed by the Speedway Control Board.  
 The Meeting Result was thus amended to Coventry 48 Eastbourne 41.

Note: Heat 12 Jamie Habbin was originally nominated for the rider replacement ride, but was excluded for touching the tapes and so was replaced by the other reserve Michael Warren. When the race was run Michael Warren fell and was excluded he caused Andy Smith to also fall and he was unable to take his place in the Re Run, so Jamie Habbin came back in the race as a reserve ride covering the injured Andy Smith and so effectively had two starts in the same heat!

Note: The Arena Essex management protested at the end of the meeting that Coventry had fielded an illegal line up, as in 1992 there was an enforced ruling that all teams had to have a minimum of three British riders in the line up and therefore claimed as a result that they should be awarded the bonus point. When the protest was heard by the SCB, they ruled that with Chris Clarence being named at No. 8 with Coventry operating rider replacement, this was technically third third British rider and so rejected the protest.
