Coventry Bees Results 2011 Season

Meeting Number	13
Meeting Date	Friday August 19th 2011
Competition	Elite League A

Home Team	Coventry
Away Team	Belle Vue
Result	41-49

Note:- Coventry used Guest Davey Watt (Poole) and also used Rider Replacement for Emil Sayfutdinov (Injured damaged shoulder) and Edward Kennett (Suspended by Speedway Control Board).

Note:- Coventry had declared Nick Morris at No. 7 but when reported he was sick a call was made for other doubling up rider Josh Auty to travel down, he got caught in traffic and never made it to the stadium.

Note:- Coventry had to go three races with just one rider. Bees team manager Alun Rossiter tried to juggle the situation as best he could and on occasions actually technically bought

Josh Auty into additional rides so as to burn his required three programmed rides.

Note:- It was later found out that Nick Morris had not in fact been sick causing the issue with Coventry only having five riders, he had in fact been in the custody of the Police after a rape charge was placed against him and Darcy Ward that went to court, where they were found innocent of the charge.
