If anyone has marked programmes that they are willing to scan that will potentially answer any of these outstanding queries then I would be pleased to hear from you, either via Jim and Matt at the Speedway Researcher website or directly by email nigel.nicklin@blueyonder.co.uk.

Thanks to Phil Johnson, Keith Corns, Paul Dunn, Alan Hunt & Tony Hurren as well as all at the Speedway Researcher website.

Note Regarding Averages On Page 85

Unfortunately, at the time of release and despite the help of a number of fellow researchers, I have been unable to reconcile fully the averages on page 85 of this document with those published in the Speedway Star end of season review (dated 17th December 1977).

Differences are:

Bruce Cribb - This document 168 rides.
Speedway Star 169 rides.
