Southern League:

Nottingham v Belle Vue

Nottingham were unable to continue due to financial difficulties and injuries to leading riders. The Southern Promoters Association had originally been prepared to assist Nottingham in strengthening the team, but support was withdrawn after Nottingham failed to send a team to fulfil the **league fixture at Coventry on 23rd July**. Although the Coventry local press only announced on 22nd July that the visit by Nottingham would not take place, the Nottingham local press also reported that the re-arranged visit by Belle Vue on the same day would not take place. Nottingham withdrew from the league, although the results to date stood.
