**NOTE:** Malone was absent, having not arrived back in time from Sweden, where he had been riding for an England 'C' side. His rides were taken by the reserve duo of Lambourne and Wiggins, except heat fourteen, by which time both had taken the maximum permitted rides; Having crashed out of the meeting in the opening race, Geddes was not replaced in heat ten; Wiggins missed his programmed ride in heat twelve so that he could take the place of Geddes in heat fourteen, otherwise Swindon would have had no rider in the race!
