**Programme changes:**

Ht 1: Chandler replaced Brett; Ht 3: Bob Roger replaced Brett; Ht 7: Chandler replaced Brett; Ht 11: Chandler replaced Brett; Ht 12: Blewett took nominated reserve ride; Ashby took nominated reserve ride, presumably as a supplementary reserve.

NOTE: (1) Brett was at the meeting, but arrived with no bike, having had problems with his trailer en route; (2) Julian took five programmed rides, whereas all the other riders in the main body of both sides had four programmed rides apiece. The discrepancy probably revolved around Blewett, who had only two

programmed rides, while his opposite number, Bob Roger, had three. Therefore, it can be assumed that Julian was mistakenly programmed in place of one of Blewett's outings; (3) The scheduled second-half of the programme was cancelled.

NOTE: (1) Due to handicapped starts, heat times were not recorded in the main match; (2) The scheduled pre-meeting attempts on the track record were not staged due to heavy rain, which had left the racing strip in a poor condition. Despite that, Moore did make an unscheduled attempt during the second-half that nobody took too seriously, thinking that Southampton boss Charlie Knott had just given 'Mirac' the opportunity to earn some money. Such a gesture would have been typical of Mr. Knott. It is somewhat ironic that track record attempts were scheduled at a juncture when heat times were not recorded!
