Note: The Cradley Heath v Halifax fixture was not ridden.

Notes: Having considered an appeal from Wimbledon in respect of their match at Swindon on July 3rd, the Swindon Management have admitted that they were wrong in using Clive Hitch in this match against the recommendations of the British League's management committee and have accordingly Hitch's points have been deleted from the records with riders finishing behind him being upgraded a place with the exception of heat 7 when Trevor Hedge was used by Wimbledon as a tactical substitute. Under the revised scoring Wimbledon would not have been allowed to use Hedge and his points in that race have been discounted. Revised match results: Swindon 36 - 37 Wimbledon.

Swindon

These records advise Broadbank scored 384 & Keen 96 pts from BL & KOC fixtures - official records advise Broadbank scored 382 & Keen 98 points. Official records indicate that Broadbank scored 24 points and Keen 9 points from Swindon KO fixtures, however the error can only arise from the Glasgow KO Cup fixture where Broadbank scored 11 points and Keen 4 points (based on official records). However a completed programme advises that Broadbank scored 13 and Keen 2 points. Therefore I have assumed that the official records are incorrect in this case !
