Riders Score Charts Race Information

3, 2, 1, 0 = Points scored by the rider in a heat

* = Rider finished second or third behind his team-mate and scored a bonus point

X = Excluded (see score for further details)

T = Excluded for breaking the tapes

M = Excluded under the two-minute rule

R = Retired or suffered an engine failure during the race

F = Rider fell during the race

F, inj & F,N = Rider fell during the race and was injured and unable to partake in the rerun of the heat

N = Rider was a non-starter for the heat

Ex, cwl = Rider excluded for crossing the track inner white line with both wheels

In 1991 the Wimbledon speedway team continued racing until Thursday 22 June even though their Plough Lane stadium had ceased to stage home meetings on Wednesday 5 June, when the team withdrew from the Sunbrite League Division 1. The fulfilled their remaining league fixtures by rebranding themselves as the Eastbourne Dons when they relocated to Arlington for the 1991 British speedway season.

Speedway did not return to Plough Lane until 2002 when a team entered the Conference League. However, this venture was sadly short lived and lasted until 2005. As the Plough Lane stadium was demolished in March 2018 there is now unfortunately no chance of this once icon speedway team racing again.

Heat 15 rider starting positions in **RED** are unconfirmed. Therefore, represent best guesses, they will be updated once I possess evidence that they are correct. For my convenience these meetings are highlighted in black in the Wimbledon 1991 fixture list. If you can assist, by providing me with the information to update my best guesses for heat 15, or the names of missing reserve riders in the H.E.A.T. Four Team Tournament qualifying rounds. Please contact the speedway researcher website who will no-doubt pass on this information to me, so that I can correct and update this file.

Sadly, this was Wimbledon's final league match in the highest division of British speedway.

Strangely, Belle Vue were the first league visitors to Plough Lane on Monday 8 August 1932, after the British leagues' had combined into a national division. An earlier home National League match against Clapton that was staged on Monday 1 August 1932 was abandoned after 4 heats.

Sadly, this was Wimbledon's final home meeting in the highest division of British Speedway. This meeting was later staged at Arlington Stadium, Eastbourne, after Wimbledon relocated their home venue to complete the teams remaining 1991 fixtures.
 Paul Dugard replace Dean Standing, as Swindon reserve rider.
