Heat 1 Burton very badly injured when his machine seized at speed. He was run over by Ron Johnson who had no chance to avoid him. Burton broke his thigh and did not ride again all season. Johnson injured his shoulder. In heat 3 there was a similar disaster when Phillips was run over by Hansen. Again sudden engine failure was to blame. Phillips finished up under both machines breaking his collar bone and crushing his foot.

Billy Lamont was originally picked for Australia but was replaced by Col Stewart.  
Huxley fell in Heat 1 and Whitfield injured his ankle in avoidance. Whitfield still managed to finish 3rd. He turned out for one more race but then had to retire from the match. Parker's time in heat 4 was the fastest of the year so far. Rain spoilt match.  
Conditions caused 3 man collision in heat 15. Spinks injured his foot and Croombs was also hurt. Both were replaced by reserves in the re-run.
