

Season 1935

Regular users of the site over the past few years will have noticed, and probably made use of, the pre-war files supplied by Bob Ozanne. These files covered the National League and National Trophy in 1935 and were, I believe, the first time the results from these leagues were published on-line.

Over recent years, the Speedway Researcher website has grown and the information we have gained has exceeded our expectations. This has led to Bob's files being a bit out of date and in need of an update

The Complete Season Results files compiled by Steve Wilkes and Gary Done for the post 1965 years have worked well and we have decided to replicate these files for the 1928-64 era.

In doing so, we pay tribute to Bob Ozanne and to Brian Collins whose excellent pre-war information also contributed to this work.

The key to this file is using the CTRL F function on the keyboard. By pressing these keys together, you can open a search box which allows you to look for the information you require. For example, by pressing these keys and typing in Southern League, will bring up the Southern League fixtures.

One of the main problems in putting the file together is that a number of riders had nicknames or are programmed with their surname as a constant but with different initials or first names. In cases such as this I have added notes to try and give the best information I can as to who I think competed. Again, this may be subject to change as and when new information coming to light.

Any missing information or amendments would be gratefully received.

In the England team Les Fulham, Wilf Plant and Geoff Godwin rode under their real names. Bob Charles was Bob Henderson. The identity of Reg Collins and Stan Cox is not confirmed and Van Eugene was an assumed name for an unknown rider.

In the Australian team Tiger Rickenbaker was believed to be Jack Chapman and Francis de Reske was the Coventry based Les Brooke. Smythe, Letcher, Caswell and Labon are presumably assumed names but it is not known if these riders were Australian or not.

The Leicester promotion and press deluded supporters into thinking that Leicester were part of a 'Midland Dirt Track League' and that they had 'signed' Stan Cox from Sheffield – a team that did not exist. Therefore, any reports of the fine details of meetings here this season are to be taken with a large pinch of salt!!
