Had 16 was controversially rerun. The first time Sharp replaced Johnson. Sharp fell coming out of the first bend. He was hurt but rider and bike were quickly helped off the track. The steward stopped the race almost at the end of the lap. There was no hazard remaining by then.

Newton was well ahead of Van Praag with Greatrex well back as he had to avoid Sharp. In the rerun Murphy replaced Sharp which was not against the rules at the time though thought unfair by most commentators and the subject of a campaign to change the rules.

Van Praag started the rerun brilliantly and won easily with Murphy third so a 4/2 for England was changed to a 4/2 for Australia by an unnecessary rerun.

Not much good racing here except for the hassle and hustle efforts of Lionel Van Praag. The English lads usually disappeared from the gate and were gone. The track was described as being even more slick than usual. This was thought to favour the lightning starters Charles, Abbott, Langton and Kitcen. Slick track spoils the racing then - in 1936!!!!
