NL 36 was a very good unpredictable comp. Only one week before Hackney had slaughtered league leaders Wimbledon. 2 nights before this fixture New Cross near the foot of the table were wallpoted at home. They were certainly not expected to win at Waterden Road but did so very convincingly.

Jack Ormston was well away in heat 2 when Frank Charles fell and Gregory and Smythe ran into him. In those days the rules in such circumstances were still being developed. Today Frank would have been out of the rerun as the primary cause of the stoppage but there was no such concept then. Ironically in the rerun Frank got a great start but Ormston got held up by his partners crash. Bill Pitcher had a great night losing only to Charles who was in peak form.								6 Gordon Byers 2 0 0 2 4

Heat 11 calls for some comment. Wilkinson and Chitty collided and came down on the first bend leaving Parker and Wotton unchallenged. Bluey smartly remounted and roared off in pursuit. Parker and Wotton seemed very slow and Norman's bike packed up. Bluey was catching the struggling Les Wotton at a great rate. When Bluey passed him Les tried to get a bit more out of his bike, overslid and ran over the grass. Les was disqualified to complete Harringay's misery.

A very unusual happening indeed in heat 3. Bluey Wilkinson, with the race sown up eased off on the run to the line. He had not noticed that Max Grosskreutz had closed the gap considerably. Max shot by for a narrow win taking Bluey by surprise.

This match was as good as the see-saw score suggests. The last heat decider promised to be a real cracker with Jack Parker against Bluey Wilkinson. These two had a real set to in heat 4 with Jack leading until the last lap but Bluey came by and won by less than a length. They were both good starters but in heat 12 Jack had the edge out of the gate. Bluey did his usual "never say die" attacks on Jack but it was not to be and Bluey came down. Ormston missed him by amazing skill but Dell could not. Bluey managed to struggle home for a point.

The Hammers were considerably weakened being without Stevenson, Croombs and Bishop. Despite suffering from 'flu Vic Huxley managed 2 wins. Chitty and Dixon both broke the tapes in heat 7. If only one of them had done so he would have been disqualified! Because of this farcical rule Dixon was able to win the restart.

Vic Huxley's unexpectedly low score is accounted for by sluggish motors. However Wembley deserved this away win. Also the Dons management must have been kicking themselves for leaving Pymar out. Not given a ride from the reserve berth he had a great second half beating Charles in the Handicap Final.

Hackney took an early lead but lost it in heat 4 when Case and Dixon collided on the first bend. The last heat decider was full of drama and had a thrilling finish. Dick Case gated brilliantly and shot into the lead. It was short lived as his tyre burst at the second bend. Cordy Milne started slowly but on lap 2 rocketed past Huxley and pressed on to catch Sharp. On the last bend Milne took Sharp out wide and got the lead but Sharp, full out, came back past on the home straight. These 2 were out on the boards and Huxley roared through the gap for a blanket finish. Cordy, leading on the last bend, finished up third.
