^Note Sweetman replaced Gil Graham and Smith replaced Tom Albury. My programme notes that Taylor fell in the first race and Smith fell in the first re-run. It also says Graham was out after first and second races, and his score has a dash in the individual scorechart. I wonder if this means he was the one exc, 2 mins not Tom Sweetman. However, Sweetman has E (for excluded) in the individual scorechart.

Note Note Smith replaced Tom Albury; Glead replaced Trevor Davies; Smith replaced Tom Albury
