Note: The match actually finished 36-42, but Oxford protested that Roger Hill should not have been allowed to ride in heat 13, as he had already taken his maximum quota of five rides. The referee confirmed the protest and so after having initially allowed Hill to race in the heat, after the match had finished he deducted his second place and turned the Coventry 5-1 into a 3-3 and with it the match score was amended to 38-40
