Coventry Bees Results 2003 Season

Meeting Number	
Meeting Date	Wednesday July 16th 2003
Competition	Elite League B

Home Team	Wolverhampton
Away Team	Coventry
Result	Wolverhampton 30 - Coventry 36 Abandoned after Heat 11 Result does not stand

Note:- Coventry used Rider Replacement for Lee Richardson (Injured broken collarbone)

Note:- After Heat 11 the stadium was hit by a major downpour that soaked the track and made surface unfit to consider any further racing.

As the meeting had not reached the Heat 12 cut off point the result was not allowed to stand.

Coventry were six points ahead at the time and could not have been caught in Heat 12 even if Wolverhampton had taken a maximum heat advantage.

Note: Heat 14
Coventry entered the race knowing just a second place would see them securing the cup. Poole were force to run with Lindback and Stead, who had both only managed a point a piece before the race, as they had to take a minimum of three programmed rides. Fisher lifted on the first bend and was excluded for bringing down Lindback and Jamiro. The rules at the time allowed Poole to now replace Lindback, as he was signed out as being unfit with a hip injury by the track doctor, and being six points down at the time they replaced him with a tactical substitute Mark Loram. In the re run Jamiro was holding the second place the Bees required when he clipped Loram's back wheel and fell, which gifted Poole a life saving 5-1 and enabled them to then tie up the cup with another 5-1 in the final heat. Things were made worse for the home camp when Lindback, who had been signed off as unfit, was witnessed jumping around and celebrating with the rest of the Poole riders after the final race. Over the winter the SCGB immediately changed the rules to enforce that if such an incident happened again, only a reserve could be used to replace a fall run starter.
