Note: There was a major stand off before the meeting over the eligibility of Coventry's new signing Joonas Kylmakorpi to replace Rory Schlein. Kylmakorpi had walked out of Peterborough and received a 28-day ban at which point Coventry attempted to sign the Finn, but he was given another 7-day ban after which the average would not allow him to fit in the Bees redeclared side. Feeling got so strong that club owner Avtar Sandhu threatened to pull Coventry out of the league and bulldoze the stadium down if Kylmakorpi was not allowed to ride. After many arguments a deal was brokered where Kylmakorpi was allowed to be a guest for the night so as to allow the match to go ahead. A crisis emergency meeting of the BSPA was then convened the following week to fully resolve this issue.

Note: The two final races Heat 15 and 16 were the brainchild of Bees team manager Peter Oakes as a possible proposal of an experimental special finish to a match. This saw the two races comprise of four one lap dashes with each rider starting off all four gate positions and the collective aggregate scores of the riders determining the 3,2,1,0 finish for the heats. It proved to be a damp squid though with the two races taking 29 minutes to actually conclude and the riders involved giving little support and complaining of undue wear on clutches and bikes.

Away Team	Elite League Select
Result	47-43

Note:- With Coventry having won the 2005 Elite League the Bees promoter Avtar Sandhu rewarded the riders by agreeing to stage this end of season meeting where all the profits over and above the staging costs would be split between the Coventry riders. This was thought to be in the region of £25,000 to be split between the pool of Coventry riders.
 Note:- Heat 15 with the ongoing spirit of the evening the referee allowed Bees Morten Risager to ride for Wolverhampton and his points allowed to count.
