Note Regarding Averages On Page 60

Unfortunately, at the time of release and despite the help of a number of fellow researchers, I have been unable to reconcile fully the averages on page 60 of this document with those published in the Speedway Star end of season review (dated 20th March 1971 – pages 12 & 13).

Differences are:

Roy Trigg – This document 344 points, 12 bonus points.
Speedway Star 346 points, 13 bonus points.

Colin Pratt - This document 168.5 points.
Speedway Star 165.5 points.

Jimmy Squibb - This document 112 points, 28 bonus points.
Speedway Star 113 points, 27 bonus points.

If anyone has marked programmes that they are willing to scan that will potentially answer any of these outstanding queries then I would be pleased to hear from you, either via Jim and Matt at the Speedway Researcher website or directly by email nigel.nicklin@blueyonder.co.uk.

Thanks to Phil Johnson, Keith Corns, Paul Dunn, Alan Hunt & Tony Hurren as well as all at the Speedway Researcher website. Thanks to David Austin for the update to the West Ham details shown in issue 2.
