Note Regarding Averages On Page 66

Unfortunately, at the time of release and despite the help of a number of fellow researchers, I have been unable to reconcile fully the averages on page 66 of this document with those published in the Speedway Star end of season review (dated 6th January 1973).

Differences are:

Roy Trigg – This document 254 points, 19 bonus points.
Speedway Star 253 points, 20 bonus points.

Mick Handley - This document 105 points, 23 bonus points.
Speedway Star 106 points, 22 bonus points.

Bengt Anderson - This document 5 rides.
Speedway Star 4 rides.
