In the "Homes of British Speedway" book by Robert Bamford and John Jarvis it states that there was a confirmed meeting held on 2nd June 1968. A second unconfirmed meeting was planned for the following week.

I have searched through the Irish newspapers that are available online and have only come across an advertisement for the Individual meeting to be held on 2nd June in the Evening Herald of 1st June. There are no match reports.

The Speedway Star provides no coverage of these meetings.

The "British Speedway Handbook 1969 Edition" gives no details either.

Defunctspeedway.co.uk has a blank copy of the programme for the 2nd June 1968 in its Drogheda file.

The 12 riders programmed to ride in the meeting of 15 heats were:
