At Nottingham

Jack Trent was George Dykes

Bill Roberts was Ivor Hill.

A Johnson was reported to be Fred Strecker

J Kirby was Jack Riddle

Bruce van Egan was not identified, but it is unlikely Strecker would have used two pseudonyms (see Coventry)

Frank de Reske was Les Brooke

Dickie Pink was Fred Tate

At Coventry

Bruce Van Egan was noted to be Fred Strecker, although I am not convinced this is correct.

At Tamworth

Dykes, Hill and Strecker used the same pseudonyms as at Nottingham.
