VENUE BANISTER COURT COMPETITION CHALLENGE

SOUTHAMPTON 55.0 35.0 POLISH TOURING TEAM DATE: 30/06/1959

RESULT: HOME WIN AGREGATE SCORE

This was a vastly improved Polish team compared to the one which toured England in 1958. The fans were treated to a feast of fiery riding from these whole-hearted Poles who never knew if they were beaten, and the Southampton team had to fight all the way for their 55 points to 35 victory. But for one or two unfortunate incidents caused by the visitors the score margin would have been easily halved. Crutcher was in immaculate form with a maximum, while Mardon and Taylor were both paid for fourteen points. Kapala had bad luck in the fourth race, leading Mardon and Taylor he overslid on the pits corner, righted himself but shot across the grass and was of course excluded. The resulting five to one gave the "Saints" a lead but this was quickly nullified in the following race by Kaiser and Polukard who both passed Bradley, no mean feat at Southampton. After ten heats of this fifteen-heat match Southampton were clinging to a slender two-point advantage. Crutcher and Taylor increased this in heat 11 then misfortune struck the visitors. Pociekowicz, challenging Golden for the lead, struck his opponent's rear wheel on the pit turn and hurled head first into the safety fence, while his machine catapulted over the fence on to the greyhound track. Incredibly the Polish rider staggered to his feet and walked into the pits, although he was subsequently taken to hospital for a check-up as understandably he was badly shaken. I hate to think of the results of this crash to both rider and spectators had the fence been solid with no dog track! In the re-run the "Saints" scored another maximum and repeated this score in two of the remaining three races from a very tired Polish team.
