NOTE: (1) Heat times were NOT recorded at this meeting, as the Control Board had decided that they were not conducive to team riding. It was felt that if winning times were not recorded, it would

remove the temptation for a rider to seek individual distinction by racing against the clock! (2) Fundin originally won heat two, but only three laps had been completed so the meeting official ordered a re-run; (3) All of the second-half events were run over three laps only.
