NOTE: In the Elite League meeting, it transpired that the Belle Vue line-up did not comply with the speedway regulations. Billy Forsberg was injured the previous weekend and to cover his absence, the No. 8, Joel Parsons, was used to replace him in the team, contrary to the speedway regulations. As Forsberg had not yet ridden for Belle Vue, no facility was permitted as per SR 18.1.4.2, which stated: 'No facility is permitted to replace a rider, who, although declared, has not made an appearance for that team'. SR 18.1.5.3 (a) stated that if no facility is applicable, then, in the Elite League, that team's No. 8 may be used, but only if the No. 8 has a Premier League green sheet CMA of 6.00 or less. At the time, Joel Parsons' PL CMA was 6.72. As a consequence, the result was amended, with the deduction of the 2 points scored by Parsons.
