NOTE: On 8 August 2012, the Speedway Control Bureau issued the following statement regarding this match: "At this meeting, King's Lynn contravened the Speedway Regulations by using Cory Gathercole as a guest to replace the doubling-up position occupied by David Howe and Ulrich Østergaard. King's Lynn were only entitled to use a PL rider whose match average was 6.00 or less. Cory Gathercole, with a PL MA of 6.50 was therefore not eligible and on the night he scored 2 (+1) points and the meeting ended as a 45-45 draw with Swindon gaining 1 match point and King's Lynn 2 match points. Accordingly, as permitted by SR 15.10.1 the meeting result is now revised by deducting Gathercole's points and is therefore: SWINDON 45 KING'S LYNN 43. The effect is that Swindon have 2 match points and King's Lynn 1 match point."

NOTE: The meeting was not re-staged. Management Committee member David Hoggart announced that Peterborough would proceed to the next round, having been drawn out of a hat ahead of Swindon. The two Thursday tracks had agreed to the step being taken as a result of the need to advance the competition in such extreme circumstances, and the following week's scheduled meeting at Blunsdon was therefore cancelled.
