No speedway was scheduled for **Saturday, 23rd August 1930** as the track was being adapted for pony racing. Pony racing took place on 8th September but attracted a crowd estimated at just 600. A further meeting on 27th September was also poorly attended and was curtailed from 5 events to 4.

Wednesday, 3rd September 1930, South Yorkshire Sports Stadium, Wombwell

Cancelled due to bad weather and unavailability of riders. Tommy Thompson had retired due to ill health, Geoff Kilburn had gone to compete in the Isle of Man TT Races, Tommy Gamble was injured in a grass track meeting at Harrogate and several other riders had travelled to compete in Denmark and Germany.

Withdrawal from the Northern League

Wombwell dropped out of league racing in July, principally because league matches were being staged at a financial loss of around £50 per meeting (according to the Mexborough & Swinton Times). The local press also speculated that spectators preferred individual events to league racing, with the imbalance of team strengths a major factor.

End of season

A report in the South Yorkshire Times and Mexborough & Swinton Times on 12th September confirmed that there would be no more speedway at the Wombwell track in 1930.
